Thanks so much, and no problem. I'll send an email connecting [REDACTED] with [REDACTED] shortly. And yes, if that's ok, our preference would be to let them pick up the materials, so thank you very much for that.

Best,

[REDACTED]

Let me loop [REDACTED] Weddle in. [REDACTED] has been handling the files on our end. If your preference is that we have them pick up the materials, we can arrange a time for them to meet at the office.

Sorry, I did not get back to you earlier.

Best regards,

Good morning,

[REDACTED] from Melkin Solutions will be the point of contact for this project. Who should I connect her with in your office to coordinate the scanning project?

Thanks very much,

Hi [REDACTED],

Our budget office has approved payment from SDNY to Melkin Solutions to complete the scanning of the 28 Epstein-related boxes in SDFL. How should I go about coordinating so that the vendor can get access to the boxes to scan them?

The vendor indicated that it would be much faster if they could be permitted to take the boxes to their office for processing. Would your office be willing to permit that? We are hoping to get these scans completed as soon as possible, so we would be very grateful if there's any way to help expedite the process.

Please feel free to call my cell at [REDACTED] if it would be useful to discuss over the phone.

Thanks so much for your help.

Best,

[REDACTED]
