Good Morning...

I returned today to find no suggestions in my emails for JE trainer - still looking - have a few more rocks still to turn over - but not looking too hopeful...

Your a star - he wants someone to come to the hse. The instructor has to be female youngish and attractive otherwise he will loose interest rapidly. He is looking for someone who can tone, flex and stretch

Thanks -

Your desperately seeking an instructor

PS

If you had to rate the top 10 gyms in the city where would they be + any masseuses in the same vein as the exercise instructor?

exercise instructor to work out with. He likes,
well you know what he likes. Plse can you call
me or let me know if you know of anyone or if
you can point me to the right direction to go to
a gym where you know I can meet someone
who might do the trick

Thanks
