Attachments: 2019-03-12,_JE,_status_memo_for_ODAG,_updated.docx; 2019-04-26,_JE,_status_memo_for_Audrey.docx

Attached is the most recent ODAG memo, along with a short memo for [REDACTED] that summarizes updates since the last memo. Please let me know if there are any edits you'd like me to make, or additional information you need. [REDACTED] hasn't reviewed this, because he's in transit, but we spoke briefly this morning to discuss what should go in the update.
