Re: *United States v. Ghislaine Maxwell, 20 Cr. 330 (AJN)*

Dear Counsel:

Due to an inadvertent error in Bates stamping in prior productions, which the Government just discovered, today we are reproducing the materials listed in the below index. These items were originally produced with incorrect Bates numbers that resulted in overlaps. These errors have now been corrected. These discovery materials are now stamped with the correct control numbers SDNY_GM_02742184 through SDNY_GM_02742302.

An index of the replacement materials contained in this production is below:

Bates Start	Bates End	Summary Description	Confidential Designation
SDNY_GM_02742184	SDNY_GM_02742186	Reproduction, Deutsche Bank materials relating to Jeffrey Epstein	
SDNY_GM_02742187	SDNY_GM_02742302	Reproduction, UBS Subpoena Return, 12-15-2020	

The Government recognizes that its discovery obligations are ongoing and will promptly produce any additional discoverable material of which it becomes aware. Please do not hesitate to reach out if you have any difficulty accessing these materials or if you wish to arrange a time to review physical items in the FBI's custody.

Very truly yours,

AUDREY STRAUSS
Acting United States Attorney
