Hey [REDACTED] – I've citechecked sections IV through the end, so there are sections I-III left. Hopefully [REDACTED] + another para or intern will confirm the quotes, etc., for the whole document, but I think one of us should lay eyes on the key cases in each section. If you have bandwidth, would you mind doing either section I or sections II and III?

Amazing! Thank you!

I've attached a draft for citechecking. We'll probably make some small tweaks before finalizing the table of contents and authorities. This is pretty long, so if there's another paralegal who can help pitch in, feel free to rope them in too. I'll see if I can find an intern who can help.

Thanks!

Hi [REDACTED],

For sure, I'll definitely have time to tackle this tomorrow. Just send over anything I'll need.

Thanks,

Hey [REDACTED],

I hope you're having a nice weekend!

Our motions in limine for Maxwell are due tomorrow. Do you have bandwidth tomorrow to help finalize the document? We definitely need help making a table of authorities and table of contents, and if you have time, we'd love

help doing a citecheck of the document too.

Thanks!
