What we can do is have the Help Desk manually remove the standard VNS closing paragraphs from the letter for each of the registrants. We cannot remove the closing from the email notices (about five registrants have email addresses). If that is acceptable, let me know and I will follow up with the instructions on how to proceed.

[REDACTED], is there a way to remove the closing paragraph of the VNS notification?

The SDNY USA Geoffrey Berman wants a notice to go out with two paragraphs only. The introduction and the added text. He was very specific on what he wants.

I called [REDACTED] at VNS help desk and he could not tell me how to manipulate the notification so that it only has two paragraphs the introduction and other.

Can you [REDACTED] and I figure out how to do this. The notice is timely.
