Team,

As discussed, below is a summary of the efforts we have taken to learn how many times [REDACTED] was interviewed during the Florida investigation and to gather any record of such interview(s):

- AUSAs reviewed scans of full Florida FBI file on Relativity. From that review, we identified handwritten notes and 302 reflecting a single interview occurring on or about August 7, 2007 with Florida FBI agents.
- AUSAs and paralegals reviewed scans of full SDFL file on Relativity. From that review, we identified no record of any additional interviews with [REDACTED].
- AUSAs conducted a keyword search of AUSA [REDACTED] email inbox, which included the search terms "Jane Doe," [REDACTED], and "[REDACTED]". From that review, we identified no record of any additional interviews with [REDACTED].
- AUSAs asked [REDACTED] how many times she recalled being interviewed by the FBI in Florida. [REDACTED] indicated that she could not recall whether she met with the Florida agents once or twice. AUSA [REDACTED] took notes memorializing that statement.
- AUSAs asked SA [REDACTED] how many times she recalled interviewing [REDACTED]. [REDACTED] could not recall specifically whether [REDACTED] was interviewed any additional times after the August 7, 2007 interview. [REDACTED] indicated that follow-up interviews may not have been documented unless a witness made a new or different statement during the interview(s). AUSAs [REDACTED] took notes memorializing that statement.
- AUSA [REDACTED] emailed her contact who had facilitated SDNY's review of the SDFL Epstein file to ask whether SDFL is aware of any additional interviews conducted with [REDACTED]. AUSA [REDACTED] has not yet heard back.
