Toyota Probed Possible Bribes To Top Thai Judges

More than six months before Toyota disclosed concerns to U.S. authorities about possible foreign bribery in Thailand, the automaker launched its own investigation into whether its consultants paid off Thai judges and government officials in an effort to overturn a \$350 million import tax judgment related to its Prius cars, according to company documents and sources familiar with the matter.

[Titan Of The Plaintiffs Bar: Caldwell Cassady's Brad Caldwell](#)

One would never show their playbook to an opponent before a football game, but Brad Caldwell says that's pretty much what has happened since he represented VirnetX in the first of several trials against Apple nearly a decade ago. He's won each time by largely sticking to a consistent storyline, most recently securing a \$502.8 million verdict for his client in the companies' fifth trial in October.
