Hi [REDACTED]

As discussed, attached is the letter we submitted asking them to withhold certain documents. They came back today asking us to tell us what specific documents we want them to withhold, which I can do once I have the file. I'll keep you posted, thanks.

I have now had the opportunity to discuss this request with both [REDACTED] and our Chief Information Officer, and I am renewing my request that you provide a list of the specific documents and other materials that you are requesting the OCME not disclose. Additionally, I would appreciate the opportunity to speak with you briefly concerning the document that you have requested that OCME destroy, and that OCME has deactivated in the manner that I described to you last week. Please let me know when would be convenient for you; thanks.
