Hi,

Two things:

1. The guards that Noel named as not doing rounds/counts and pre-filling were COs ██████████.
2. According to the notes of his interview with us, ██████████ said he knew but did not tell anyone that ██████████ was released or Epstein was without a cellmate. He also stated that he was waiting for the captain or warden to put someone new in the cell. In a recent interview with OIG, he says that he didn't know that ██████████ was gone and denies his prior statement. Do you have a recollection of this interview? If so, ██████████ wants to know if we think the notes/MOI are correct.
