Then solo trips to Epstein's house.</li> <li>Regularly gave Epstein massages. Sometimes he masturbated. Manipulated into stripping down to her panties during the massages. Paid \$300 each time.</li> <li>"He would also like when I would play with his nipples. He used to get turned on by that. And then he would finish himself off and then that would be the end of it."</li> <li>Over the next several months, ██████ visits followed a familiar routine. Epstein's secretary would contact her by email, beeper or her family's landline to set up a meeting, ██████ said. When she arrived, she'd be escorted to the elevator and head straight to the massage room. Once or twice a week for a year.</li> <li>In the fall of 2002, Epstein said "Why don't we try something a little bit different?" she recalls him saying. "Why don't you do the massage on top of me?" ██████ said she told him that she wanted to "stick to the normal routine," but she ultimately removed her underwear. He fondled her privates, she said. Then he "brought me up there and it was very aggressive, it was forceful," she said. ██████ said she was terrified and told him to stop. "He was like, 'It's okay. You're fine. You're not doing anything wrong,'" added ██████, who said he did not use a condom. After it was over, ██████ said, she rushed out of the house angry and shaken.</li> </ul>	New York	<a href="https://www.nbcnews.com/news/us-news/new-jeffrey-epstein-accuser-he-raped-me-when-i-was-n1028011">https://www.nbcnews.com/news/us-news/new-jeffrey-epstein-accuser-he-raped-me-when-i-was-n1028011</a>

During the flight, Epstein began sexually touching ██████ leg. She felt trapped and terrified, and feared that she would be killed.</li> <li>• They arrived at Epstein's home in the Virgin Islands. Epstein's abuse of ██████ there began when ██████ sent ██████ to Epstein's room to massage him. For the rest of the trip, Epstein repeatedly raped ██████ by forcible compulsion. ██████ repeatedly sent ██████ to Epstein's room, where he would touch her, use massage devices on her, force her to perform oral sex on him, and sexually force himself on her. ██████ also witnessed another young girl performing oral sex on Epstein in front of ██████ while they were watching a movie. Epstein's abuse of ██████ lasted for years. Epstein forced her to travel to the United States many times to see Epstein and be subjected to repeated sexual abuse for one to two weeks at a time, sometimes staying in his New York apartment.</li> <li>• ██████ was also forced to travel to Epstein's home in Paris where she had to stay with Ghislaine Maxwell, one of Epstein's main recruiters of young females, and where ██████ forced her to be photographed nude for Epstein. During that trip, ██████ witnessed that young females were on call to sexually pleasure Epstein.</li> <li>• ██████ final trip to the United States was in 2004. She flew to see Epstein at his New Mexico ranch, called "Zorro Ranch." Epstein abused ██████ at Zorro Ranch.</li> <li>• Epstein attempted to keep in contact with ██████ through e-mail over the years. For example, in 2016, Epstein e-mailed ██████ to ask if she knew ██████, another woman who was a victim of Epstein's sex trafficking scheme. In June 2019, only two months before his death, Epstein sent ██████ an e-mail asking her to send him nude photographs.</li> </ul>
