I am working on the new draft of this submission but it is going slower than I expected. ████ has been in an emotionally and psychologically fragile state, and because of the Coronavirus, we cannot get █ ██ the proper therapy which ██ needs. We have suggested ██ go back to Florida, so at least ██ can be in ██ home and not shut up in a stranger's apartment here in NYC. Additionally, we attorneys have all shut our offices and are working at home, leading to a great loss in productivity.

So, realistically I am hoping to get you the new draft tomorrow afternoon.

profile████████████████,

Attached is a draft of the factual statement, just so that you can better understand the facts that we are presenting.

We feel that given ▮▮▮▮ abuse, and given the fact that we see her basically as a cog in Epstein's wheel, acting entirely at his direction and doing what she did at a time that she herself was a very vulnerable victim, a non-pros would be the appropriate disposition. But we want to discuss this with you before we finalize this and make a submission.

Thanks, ▮▮▮▮
