This was also in the UNET duplicates folder. Looks like the image didn't load when it was converted. I can PDF this too and
include the image. Will send shortly.

████ ,

Can you please find the email ████ sent to ████ on July 14 at 16:09 pm? It is referenced in the attached but we
don't see it in the de-duped folders. ████ email should have a spreadsheet attached to it. You can email it to us here.

Thanks!
Lara
