Today we are interviewing one employee ([REDACTED] referenced in indictment), the Today Show NY victim, and two Florida victims.

We are also likely to file bail response at 5 pm, the current deadline. Epstein is supposed to submit his financial info under seal by 9 am. We had asked for 24 hours from receiving that info to put in our brief, but judge has not ruled — may be waiting to see what they put in.

We are aiming to get you a draft between 12 and 1.
