She wants to talk to an agent about a coconspirator. She dated him and he was friends with Epstein.

[REDACTED]
A concerned [REDACTED] that would like to see the evidence in Epstein case be made public. He asked a lot of questions wants to know who is getting indicted next and said if they are high profile people like the news is reporting are you going to do anything about it. Really pushy wants to know what evidence we have against people and when we are going to indict some of these people. Wants to know what was in the safe. (Really)

[REDACTED] wanted to tell us that Epstein gave money to [REDACTED] children's home in [REDACTED] and that place is a training children in child pornography and trafficking children.
