Thanks! I'm waiting on a few more items from [REDACTED] that I asked her to copy for me during the physical evidence review. Once I've gotten those into the discovery folder, then I'll ask the paralegals to finalize and send out this next production.

Thanks for checking. I saved the files in a folder called CBP – CONFIDENTIAL located within the folder that has our next production: [\ \[REDACTED\]](#)

I do not see them with the other CBP records we previously produced in August 2020, so my view is we should go ahead and produce these now.

[REDACTED] – I'm nowhere near as familiar with the discovery, so not sure if this has been produced. If not, let me know and I can forward to [REDACTED] to produce. I'll also save in her 3500.

We sent the FDR to the UK and are waiting for results. Yes there are records for [REDACTED]. Attached are the records for [REDACTED] from 1/1/1990-4/5/2021. There are two sets due to her last name being both "[REDACTED]" and "[REDACTED]" on the travel records.

Feel free to give me a call if you have questions.

[REDACTED] and [REDACTED],

I wanted to check in to see whether there is any update from the ALAT about travel records on the UK side for Maxwell, Epstein, and [REDACTED]. Also, when we got the CBP records for Epstein and Maxwell for the 1990s, did we also request those records for [REDACTED]? Please feel free to give me a call on this.

Thanks!
