I understand that the case agents believed they would hear from pretrial – should they call [REDACTED] or will [REDACTED] be calling them? We've passed along their contact info but I don't think they've yet connected.

thanks,

Ms. [REDACTED],

I understand from my colleague [REDACTED] that pretrial services requested a copy of our memorandum relating to bail, in which we set forth the reasons for the Government's position that no conditions of release would reasonably assure the defendant's presence in court and maintain the safety of the community—that document is attached. Please don't hesitate to contact us if any additional information would be useful.

thank you,

[REDACTED].
