Chris,

We are continuing to review the requests in your letter, and we intend to provide you with a written response to those requests as soon as we are able. We note, though, that your letter makes dozens of broad requests – including at least one request that Judge Nathan has already denied. As a result, although we fully intend to respond in sufficient time to permit you to make any motion you deem appropriate in December consistent with the Court's schedule, we do not anticipate being able to do so on or before October 21, 2020.

Best,

Assistant United States Attorney
Southern District of New York
