Subject: Fox News Channel Request - EPSTEIN

Hi [REDACTED]

My name is Bryan Llenas and I am a National Correspondent at the Fox News Channel.

Mark Epstein, the brother of Jeffrey Epstein, is telling Fox News Channel that the SDNY is withholding Jeffrey's full medical examiner files and that the SDNY continues to cancel meetings on him.

Does the SDNY have a response to Mark's claims above?

What does the SDNY have to say about his claims that no one has given him evidence or explained to him why they ruled his brother's death a homicide?

We'd like to publish an article today - including a statement from the SDNY.

I hope to hear from you soon.

All the best,

Bryan Llenas
