Hi [REDACTED]

It was great chatting with you earlier this morning! Attached you'll find a smaller zip folder containing just the tax returns, for each year from 2015 to 2019. You shouldn't need a password to open the folders, but in case it prompts you, the password defense counsel provided us is: [REDACTED]

The entirety of the Financial Report Appendices are still loading onto USAFx, and it appears as if there is less than a third left to download. I'm estimating it will take about another hour to an hour and a half for everything to finish downloading there. Once they've downloaded, I'll share the folder with you.

Thank you so much for your patience [REDACTED] and please let me know if you encounter any issues viewing these tax returns!

Best

Yesterday, I was out of the office. Please burn the ZIP file to a DVD. Once the DVD is ready, call me at [REDACTED] and I will walk over to your office to pick it up.

Hi [REDACTED]

I hope you're doing well! [REDACTED] have received the financial report appendices from Maxwell's defense team. The materials were provided in a 3GB zip folder, which unfortunately is too large to email. Depending on what works best for you and your work set-up, I believe we have a few options to get these materials to you. I can forward you the original email from Maxwell's defense team that contained a link to view and download the materials, I can upload the materials to USAFx for you to view, or I can have our IT department copy the materials onto a hard drive. Please let me know what you prefer, and I will get these materials to you as soon as I can.

Thanks very much!
