Webinar: Liquidity Stress and Monetizing Legal Assets during the Great Shutdown

[Join in tomorrow, April 28 at 3 PM EST](#) for the next LIVE webinar in The OffshoreAlert Webinar Series on high-value, cross-border finance.

REGISTER FOR FREE

AGENDA

- The economics of dispute resolution and enforcement actions from the corporate perspective
- How dispute resolution funding can support a cash preservation/asset monetization strategy
- When advisors should consider dispute resolution funding as an option for their clients
- Explanation of the process of assessing and reviewing potential claims
- The importance of an independent financial review and assessment of cash and non-cash positions
- Examples of how litigation funding can be used for solvent and insolvent companies in various contexts
