I am one of the AUSAs working on the current investigation of Jeffrey Epstein in the Southern District of New York, and I was given your contact information by █████ and so wanted to be in touch for any deconfliction or discussion that might be useful with respect to our respective matters. Is there a good time to be in touch sometime this week? I should generally be able to make myself available at your convenience, and please let me know if any information would be helpful in advance.

thank you,
