This memorandum is in regards of inmate Epstein, Jeffery Reg. No. 76318-054. On August 9, 2019, I spoke with inmate Epstein concerning him making a call to his family. I told inmate Epstein I was leaving the facility around 7:00 p.m. Inmate Epstein agreed to shorten his attorney visitation to make his social call. I escorted inmate Epstein to Special Housing Unit around 7:00 p.m. I placed inmate Epstein in the shower on (G) Tier and escorted the phone for him to make a social call. I placed the phone in the first jack to the left on G tier. Inmate Epstein explain to me that he didn't have his phone set up to use his Pac and Pin number. I asked inmate Epstein who he was calling, he stated his mother. I remember dialing a number starting with 347, but the number was note notated. Inmate Epstein began talking on the phone. I told the staff to end inmate Epstein's call after 15 minutes. They complied.

Subject: Last contact with Epstein

I visited inmate Epstein in SHU on Thursday. He was getting ready to meet with his attorneys for the day so I had gone to visit him right after the SHU meeting. He had a cell mate at the time with whom I saw him interact with. He did not report any mental health concerns and he denied any suicidal thoughts or intention. He was asking this writer to go to general population and was making requests for various needs he had at the time. He wanted social calls without them being on a speaker phone. He wanted a book he had left in the suicide watch area. His mood was not depressed or anxious. There were no signs of distress. He had planned on meeting with his attorneys to work on his legal situation.
