Sorry, I forgot to mention my attorneys are having difficulty booking my interview with the administrator. I have repeatedly asked my attorneys to book me the next available interview slot, and they keep on wanting to book the 30th of October or after or just before the deadline on the 19th of October.

Please can you help me book an interview, as I need plenty of time to make my Objection before the 19th October deadline?

Many Thanks

Dear Linda,

I hope you are well. I am sending you an email before our scheduled conversation later as there are some things I want to say.

When we first met early in our conversation, you looked at me and said, "I believe you". Those words have profoundly affected my weary soul and given me the courage to fight as hard as I can for
