Hi ███ – is the individual an American citizen?

███

Hi ██████ – sorry in the crazy email traffic of the day I missed this. I can speak now but I have to leave at 7:00 to get home to my little ones. I will also be in tomorrow morning. Feel free to call anytime.

Best,

███

Hello ██████,

I am copying my client ██████████ on this email. ██████ is an Epstein victim that has retained my firm for representation. ████████ would like to be including in any notifications being issued by the United States Government. She is presently living in ██████████ and I have included her address below. ████ ██ As we discussed, to the extent you can be helpful with providing her information about getting a visa and other travel arrangements for ██████ and ███████████ such that they might be able to attend the victim's meeting she would be interested in learning that information.
